Independent Auditor's Report on the Audited Standalone Financial Results of Rashtriya Chemicals and Fertilizers Limited for the quarter and year ended 31.03.2025, pursuant to the Regulation 33 and 52 read with regulation 63 (2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To The Board of Directors Rashtriya Chemicals and Fertilizers Limited Report on the Audit of Standalone Financial Results

Opinion

- 1. We have audited the accompanying Statement of Standalone Financial Results of **Rashtriya Chemicals and Fertilizers Limited** (the 'Company') for the Quarter and Year Ended March 31, 2025 (the 'Statement'), being submitted by the Company pursuant to the requirements of Regulation 33 and Regulation 52 read with regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").
- 2. In our opinion and to the best of our information and according to the explanations given to us, the Statements:
 - i. are presented in accordance with the requirements of Regulation 33 and Regulation 52 read with regulation 63(2) of the Listing Regulations in this regard; and
 - ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards, and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information of the comapny for the quarter and year ended March 31, 2025.

Basis for Opinion

3. We conducted our audit in accordance with the Standard on Auditing (SA's) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are Independent of the Company in accordance with the Code of Ethics issued by the ICAI together with ethical requirements that are relevant to our audit of the standalone financial results and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

- 4. We draw attention to the following matters forming part of the notes to the Statement:
 - i. <u>Note No. 4 Price adversity and Upward/Downward Revision in CFR prices on Imported Phosphatic and</u> <u>Potassic (P&K) fertilizers :</u>

Directives have been given to Fertilizer CPSE's by Department of Fertilizers (DOF) vide letter No F.21-01/2023-FM dated 21st September, 2023 and to the Company vide letter No. F.21-01/2023-FM dated 8th February, 2024 to ensure availability of Phosphatic and Potassic (P&K) fertilizers in Rabi 2023-24 and undertake such procurement on priority with the assurance that the price adversity if any on such L R procurements beyond applicable NBS Subsidy rates will be addressed by DOF to protect at No profit No loss basis. Further, DOF vide File Number 21-01/2023-FM-Part(1) dated 29th May 2024 have also allowed

consideration of price adversity beyond applicable NBS rates to ensure No Profit No Loss for unsold inventory and sales yet to be acknowledged in POS by farmers as on 30th September, 2023. The Company has submitted its claim in respect of the above which is under process by DoF for actual sales effected. Accordingly during the nine months ended the Company has recognized such differential based on its estimates amounting to approximately Rs. 175.24 crore towards the same (Rs.Nil for current quarter) towards the price adversity.

Further, additional imports of DAP were also undertaken as per the directives of DOF with assurance vide letter no.21-01/2023-FM dated 12th June 2024 and letter no.21-2/2022-FM(PT) dated 20th August 2024 that the relevant issues will be suitably addressed. Subsequently, DoF vide letter no.23011/124/2024-P&K dated 23rd September 2024 announced an additional one-time package of Rs. 3500 PMT on DAP over and above the subsidy under NBS scheme for the period 1st April 2024 to 31st December 2024. Further, DoF vide letter no.23011/127/2024-P&K dated 1st October 2024 also notified that advantage/disadvantage on upward/downward trend in the CFR prices of shipments to DAP and other P & K fertilizers which arrive w.e.f 1st September 2024 to 31st March 2025 will be addressed vis-a-vis the benchmark rates considered under NBS. Accordingly during the year ended the Company has recognized such differential (i.e. over and above the benchmark price) based on its estimates amounting to Rs 113.60 crore on DAP imports undertaken during 1st September 2024 to 31st March 2025.

ii. Note No. 5 - Property, Plant and Equipment: Title deeds of Immovable properties:

In respect of immovable properties other than land, i.e. building and other structures situated at its Trombay and Thal units, the Company has self-constructed properties on the land owned by the Company as evidenced byproperty cards/title deeds of land.

iii. Note No. 6 - Gas pooling applicable to Fertilizer (Urea) sector:

The matter relating to differential claimed by GAIL on account of non-recognition of EPMC gas for the period 2021-22 in the gas pool account and the Spot gas sourced as per DOF directives during 2022-23 and the substitution of the same with cheaper market price gas specifically contracted by the Company for non-urea operations has been represented to DOF and is yet to be settled.

The Company is of the view that EPMC gas / Spot gas is specifically meant for urea operations and thus needs to be subsumed in arriving at the final pool price and the same should be considered in the subsidy of urea, since the cost of gas is a pass through.

As the non-recognition of such EPMC Gas / Spot gas sourced as per DoF's directives for Urea Operations is not in accordance with the principles of gas pooling mechanism, the Company has continued to recognize such differential i.e. (EPMC / Spot gas price – Cheaper market gas price) amounting to Rs 80.57 crore cumulatively till March 2025 (Rs NIL for the quarter) which has been shown as receivable from DoF.

Further, Company has disputed the demand of Rs 52.18 crore raised by GAIL towards pool price differential as against receivable of Rs 71.39 crore for FY 22-23 which has been arrived at on account of non-recognition of EPMC gas/Spot gas in Urea by FICC by substituting EPMC gas/Spot gas with cheaper RLNG gas sourced for non-urea operations. The total disputed amount for the year 2022-23 stands at Rs 123.57 crore. Based on Company's representation DoF has directed GAIL to keep the demand under abeyance and the said matter is under examination by DoF. Total exposure is about Rs.204.14 crore.

iv. Note No. 7 - Exceptional Item

The Company had sold 16,530 sq meters of Transferable Development Rights (TDR) during the year ended 31st March, 2024 and realized a gain of Rs. 25.28 Crores which had been reported as an exceptional item for the year ended 31st March 2024 (Rs Nil during the current year).

Our opinion is not modified in respect of these matters.

Management's and Board of Director's Responsibilities for the Standalone Financial Results

- 5. The Statement has been prepared on the basis of the Standalone Annual Financial statements. The Company's Management and Board of Directors are responsible for the preparation and presentation of these standalone Financial Results that give a true and fair view of the net profit and other comprehensive income and other financial information of the company in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and Regulation 52 read with regulation 63(2) of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 6. In preparing the Statement, the Management and the Board of Directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
- 7. The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

8. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Financial Results.

- 9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Standalone Financial Results, whether due
 to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a
 material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
 involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. In terms of RBI Directions, we are also responsible for expressing our opinion through a separate report on whether the Company has adequate internal financial controls with reference to the Standalone Financial Results in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the Standalone Financial Results made by the Board of Directors.
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Statement, including the disclosures and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the misstatements in the Standalone Financial Statements that, individually or aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning of the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the Standalone Financial Statements. Materiality is the magnitude of the misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

10. The Statement includes the figures for the quarter ended 31.03.2025, being the balancing figures between the audited figures in respect of the full financial year and the unaudited year-to-date figures upto the third quarter of the current financial year.

Our opinion is not modified in respect of this matter.

Notes:

1 The above financial results are drawn in accordance with the accounting policies consistently followed by the Company. The results have been reviwed by the Audit Committee and approved by the Board of Directors at their meeting held on 27th May, 2025. These results have been audited by the Statutory Auditors as required under Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

2 The results for the quarter and year ended 31st March, 2025 are in compliance with the Indian Accounting Standards (Ind AS) as prescribed under section 133 of the Companies Act 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

3 Based on the nature of business activities undertaken by the Company and requirement of Ind AS 108 - Operating Segments, following are the operating segments identified:

Segment	Nature of Activities
Fertilizers	Production and supply of various grades of Fertilizers for agricultural use.
Industrial Chemicals	Production of various chemicals and supply to diverse industries.
Trading	Represents fertilizers imported / locally sourced and marketed for agricultural use.

Unallocable income primarily includes interest income, dividends and profit on sale of investments. Unallocable expenditure mainly includes corporate expenses not allocated to segments. Unallocable assets mainly comprise investments, corporate assets and other financial assets including receivable towards import of urea on Government of India account. Unallocable liabilities mainly comprise borrowings, tax liabilities and other financial and non financial liabilities including payable towards import of urea on Government of India account.

Directives have been given to Fertilizer CPSE's by Department of Fertilizers (DOF) vide letter No F.21-01/2023-FM dated 21st September, 2023 and to the Company vide letter No. F.21-01/2023-FM dated 08th February, 2024 to ensure availability of Phosphatic and Potassic (P&K) fertilizers in Rabi 2023-24 and undertake such procurement on priority with the assurance that the price adversity if any on such procurements beyond applicable NBS Subsidy rates will be addressed by DOF to protect at No profit No loss basis.Further, DOF vide File Number 21-01/2023-FM-Part(1) dated 29th May 2024 have also allowed consideration of price adversity beyond applicable NBS rates to ensure No Profit No Loss for unsold inventory and sales yet to be acknowledged in POS by farmers as on 30th September, 2023.The Company has submitted its claim in respect of the above which is under process by DOF for actual sales effected.Accordingly during the year ended the Company has recognized such differential based on its estimates amounting to approximately ₹ 175.24 crore(₹ NIL for the current quarter) towards the price adversity.

Further, additional imports of DAP were also undertaken as per the directives of DOF with assurance vide letter no.21-01/2023-FM dated 12th June 2024 and letter no.21-2/2022-FM(PT) dated 20th August 2024 that the relevant issues will be suitably addressed. Subsequently, DoF announced an additional one-time package of ₹ 3500 PMT on DAP and also notified that advantage/disadvantage on upward/downward trend in the CFR prices of shipments of DAP and other P & K fertilizers which arrive w.e.f 01st September 2024 to 31st March 2025 will be addressed vis-a-vis the benchmark rates considered under NBS.Accordingly during the year ended the Company has recognized such differential (i.e. over and above the benchmark price) based on its estimates amounting to ₹ 113.60 crore on DAP imports undertaken during 01st September, 2024 to 31st March, 2025.

5 Property Plant and Equipment: - Title deeds of Immovable properties

In respect of immovable properties other than land, i.e. building and other structures situated at its Trombay and Thal units Company has self-constructed properties on the land owned by the Company as evidenced by property cards/title deeds of land.

Company had come into existence in 1978 as a result of Government of India reorganising Fertilizer Corporation of India Ltd. and National Fertilizers Ltd. Consequent to the same, major portion of immovable assets at its Trombay unit became vested with the Company. In case of Thal unit, such properties on the Company's land were erected over the years following land acquisition effected around 1978. Thus records pertaining to self-constructed properties are not readily available since they date back to more than 40 years.

Based on legal opinion obtained from legal and regulatory experts on land matters and also has other documentary evidence in that regard, Company is of the view that it has clear title to the same. Company has also initiated the process of obtaining appropriate evidence of the approvals/permissions taken for construction of the self-constructed properties from the respective regulatory authorities.

6 The matter relating to differential claimed by GAIL on account of non-recognition of EPMC gas for the period 2021-22 in the gas pool account and the Spot gas sourced as per DOF directives during 2022-23 and the substitution of the same with cheaper market price gas specifically contracted by the Company for non-urea operations has been represented to DOF and is yet to be settled.

The Company is of the view that EPMC gas / Spot gas is specifically meant for urea operations and thus needs to be subsumed in arriving at the final pool price and the same should be considered in the subsidy of urea, since the cost of gas is a pass through.

As the non-recognition of such EPMC Gas / Spot gas sourced as per DoF's directives for Urea Operations is not in accordance with the principles of gas pooling mechanism, the Company has continued to recognize such differential i.e. (EPMC / Spot gas price – Cheaper market gas price) amounting to ₹ 80.57 crore cumulatively till March 2025 (₹ NIL for the quarter) which has been shown as receivable from DoF.

Further, Company has disputed the demand of ₹ 52.18 crore raised by GAIL towards pool price differential as against receivable of ₹ 71.39 crore for FY 22-23 which has been arrived at on account of non-recognition of EPMC gas/Spot gas in Urea by FICC by substituting EPMC gas/Spot gas with cheaper RLNG gas sourced for non-urea operations. The total disputed amount for the year 2022-23 stands at ₹ 123.57 crore. Based on Company's representation DoF has directed GAIL to keep the demand under abeyance and the said matter is under examination by DoF.

Independent Auditor's Report on the Audited Consolidated Financial Results of Rashtriya Chemicals and Fertilizers Limited for the quarter and year ended 31.03.2025, pursuant to the Regulation 33 and 52 read with regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To The Board of Directors Rashtriya Chemicals and Fertilizers Limited

Opinion

i.

- 1. We have audited the accompanying Statement of Consolidated Financial Results of **Rashtriya Chemicals and Fertilizers Limited** (the 'Company') for the Quarter and Year Ended March 31, 2025 (the 'Statement'), being submitted by the Company pursuant to the requirements of Regulation 33 and Regulation 52 read with regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").
- 2. In our opinion and to the best of our information and according to the explanations given to us, the Statements:
 - Include the financial result of the following entities:
 - 1. Talcher Fertilizers Limited (Audited)
 - 2. Urvarak Videsh Limited (Audited)
 - ii. are presented in accordance with the requirements of Regulation 33 and Regulation 52 read with regulation 63(2) of the Listing Regulations in this regard; and
 - iii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards, and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information of the comapny for the quarter and year ended March 31, 2025.

Basis for Opinion

3. We conducted our audit in accordance with the Standard on Auditing issued by the Institute of Chartered Accountants of India (ICAI). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Results section of our report. We are Independent of the Company in accordance with the Code of Ethics issued by the ICAI together with ethical requirements that are relevant to our audit of the Consolidated financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

PED ACC

- 4. We draw attention to the following matters forming part of the notes to the Statement:
 - i. <u>Note No. 5 Price adversity and Upward/Downward Revision in CFR prices on Imported Phosphatic and</u> <u>Potassic (P&K) fertilizers :</u>

Directives have been given to Fertilizer CPSE's by Department of Fertilizers (DOF) vide letter No F.21-01/2023-FM dated 21st September, 2023 and to the Company vide letter No. F.21-01/2023-FM dated 8th February, 2024 to ensure availability of Phosphatic and Potassic (P&K) fertilizers in Rabi 2023-24 and L RA undertake such procurement on priority with the assurance that the price adversity if any on such Mosa sprocurements beyond applicable NBS Subsidy rates will be addressed by DOF to protect at No profit No r. loss basis. Further, DOF vide File Number 21-01/2023-FM-Part(1) dated 29th May 2024 have also allowed consideration of price adversity beyond applicable NBS rates to ensure No Profit No Loss for unsold inventory and sales yet to be acknowledged in POS by farmers as on 30th September, 2023. The Company has submitted its claim in respect of the above which is under process by DoF for actual sales effected. Accordingly during the nine months ended the Company has recognized such differential based on its estimates amounting to approximately Rs 175.24 crore towards the same (Rs Nil for current quarter) towards the price adversity.

Further, additional imports of DAP were also undertaken as per the directives of DOF with assurance vide letter no.21-01/2023-FM dated 12th June 2024 and letter no.21-2/2022-FM(PT) dated 20th August 2024 that the relevant issues will be suitably addressed. Subsequently, DoF vide letter no.23011/124/2024-P&K dated 23rd September 2024 announced an additional one-time package of Rs 3500 PMT on DAP over and above the subsidy under NBS scheme for the period 1st April 2024 to 31st December 2024. Further, DoF vide letter no.23011/127/2024-P&K dated 1st October 2024 also notified that advantage/disadvantage on upward/downward trend in the CFR prices of shipments to DAP and other P & K fertilizers which arrive w.e.f 1st September 2024 to 31st March 2025 will be addressed vis-a-vis the benchmark rates considered under NBS. Accordingly during the year ended the Company has recognized such differential (i.e. over and above the benchmark price) based on its estimates amounting to Rs 113.60 crore on DAP imports undertaken during 1st September 2024 to 31st March 2025.

ii. Note No. 6 - Property, Plant and Equipment: Title deeds of Immovable properties:

In respect of immovable properties other than land, i.e. building and other structures situated at its Trombay and Thal units, the Company has self-constructed properties on the land owned by the Company as evidenced by property cards/title deeds of land.

iii. Note No. 7 - Gas pooling applicable to Fertilizer (Urea) sector:

The matter relating to differential claimed by GAIL on account of non-recognition of EPMC gas for the period 2021-22 in the gas pool account and the Spot gas sourced as per DOF directives during 2022-23 and the substitution of the same with cheaper market price gas specifically contracted by the Company for non-urea operations has been represented to DOF and is yet to be settled.

The Company is of the view that EPMC gas / Spot gas is specifically meant for urea operations and thus needs to be subsumed in arriving at the final pool price and the same should be considered in the subsidy of urea, since the cost of gas is a pass through.

As the non-recognition of such EPMC Gas / Spot gas sourced as per DoF's directives for Urea Operations is not in accordance with the principles of gas pooling mechanism, the Company has continued to recognize such differential i.e. (EPMC / Spot gas price – Cheaper market gas price) amounting to Rs 80.57 crore cumulatively till March 2025 (Rs NIL for the quarter) which has been shown as receivable from DoF.

Further, Company has disputed the demand of Rs 52.18 crore raised by GAIL towards pool price differential as against receivable of Rs 71.39 crore for FY 2022-23 which has been arrived at on account of non-recognition of EPMC gas/Spot gas in Urea by FICC by substituting EPMC gas/Spot gas with cheaper RLNG gas sourced for non-urea operations. The total disputed amount for the year 2022-23 stands at Rs 123.57 crore. Based on Company's representation DoF has directed GAIL to keep the demand under abeyance and the said matter is under examination by DoF.Total exposure is about Rs.204.14 crore.

iv. Note No. 8 - Exceptional Item

The Company had sold 16,530 sq meters of Transferable Development Rights (TDR) during the year ended 31st March, 2024 and realized a gain of Rs 25.28 Crores which had been reported as an exceptional item for the year ended 31st March 2024 (Nil during the current year).

Our opinion is not modified in respect of these matters.

Management's and Board of Director's Responsibilities for the Consolidated Financial Results

- The Statement has been prepared on the basis of the annual Consolidated Financial Statements. The Holding 5. Company's Management and Board of Directors are responsible for the preparation and presentation of these Consolidated Financial Results that give a true and fair view of the consolidated net profit and other comprehensive income and other financial information of the Group including its Joint Ventures in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and Regulation 52 read with regulation 63(2) of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 6. In preparing the Statement, the respective Management and the Board of Directors of the companies included in the Group and it's Joint Ventures are responsible for assessing the ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
- 7. The respective Board of Directors of the companies included in the Group and of its Joint Ventures are responsible for overseeing the the financial reporting process of the Group and of its Joint Ventures.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

8. Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Results.

- 9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. In terms of RBI Directions, we are also responsible for expressing our opinion through a separate report on whether the Company has adequate internal financial controls with reference to the Consolidated Financial Results in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the Consolidated Financial Results made by the Board of Directors.
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Statement, including the disclosures and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the misstatements in the Consolidated Financial Statements that, individually or aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning of the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the Consolidated Financial Statements. Materiality is the magnitude of the misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Unallocable income primarily includes interest income, dividends and profit on sale of investments. Unallocable expenditure mainly includes corporate expenses not allocated to segments. Unallocable assets mainly comprise investments, corporate assets and other financial assets including receivable towards import of urea on Government of India account. Unallocable liabilities mainly comprise borrowings, tax liabilities and other financial and non financial liabilities including payable towards import of urea on Government of India account.

5 Directives have been given to Fertilizer CPSE's by Department of Fertilizers (DOF) vide letter No F.21-01/2023-FM dated 21st September, 2023 and to the Company vide letter No. F.21-01/2023-FM dated 08th February, 2024 to ensure availability of Phosphatic and Potassic (P&K) fertilizers in Rabi 2023-24 and undertake such procurement on priority with the assurance that the price adversity if any on such procurements beyond applicable NBS Subsidy rates will be addressed by DOF to protect at No profit No loss basis.Further, DOF vide File Number 21-01/2023-FM-Part(1) dated 29th May 2024 have also allowed consideration of price adversity beyond applicable NBS rates to ensure No Profit No Loss for unsold inventory and sales yet to be acknowledged in POS by farmers as on 30th September, 2023.The Company has submitted its claim in respect of the above which is under process by DOF for actual sales effected.Accordingly during the year ended the Company has recognized such differential based on its estimates amounting to approximately ₹ 175.24 crore(₹ NIL for the current quarter) towards the price adversity.

Further, additional imports of DAP were also undertaken as per the directives of DOF with assurance vide letter no.21-01/2023-FM dated 12th June 2024 and letter no.21-2/2022-FM(PT) dated 20th August 2024 that the relevant issues will be suitably addressed. Subsequently, DoF announced an additional one-time package of ₹ 3500 PMT on DAP and also notified that advantage/disadvantage on upward/downward trend in the CFR prices of shipments of DAP and other P & K fertilizers which arrive w.e.f 01st September 2024 to 31st March, 2025 will be addressed vis-a-vis the benchmark rates considered under NBS.Accordingly during the year ended the Company has recognized such differential (i.e over and above the benchmark price) based on its estimates amounting to ₹ 113.60 crore on DAP imports undertaken during 01st September, 2024 to 31st March, 2025.

6 Property Plant and Equipment: - Title deeds of Immovable properties

In respect of immovable properties other than land, i.e. building and other structures situated at its Trombay and Thal units Company has self-constructed properties on the land owned by the Company as evidenced by property cards/title deeds of land.

Company had come into existence in 1978 as a result of Government of India reorganising Fertilizer Corporation of India Ltd. and National Fertilizers Ltd. Consequent to the same, major portion of immovable assets at its Trombay unit became vested with the Company. In case of Thal unit, such properties on the Company's land were erected over the years following land acquisition effected around 1978. Thus records pertaining to self-constructed properties are not readily available since they date back to more than 40 years.

Based on legal opinion obtained from legal and regulatory experts on land matters and also has other documentary evidence in that regard, Company is of the view that it has clear title to the same. Company has also initiated the process of obtaining appropriate evidence of the approvals/permissions taken for construction of the self-constructed properties from the respective regulatory authorities.

- 7 The matter relating to differential claimed by GAIL on account of non-recognition of EPMC gas for the period 2021-22 in the gas pool account and the Spot gas sourced as per DOF directives during 2022-23 and the substitution of the same with cheaper market price gas specifically contracted by the Company for non-urea operations has been represented to DOF and is yet to be settled.
 - The Company is of the view that EPMC gas / Spot gas is specifically meant for urea operations and thus needs to be subsumed in arriving at the final pool price and the same should be considered in the subsidy of urea, since the cost of gas is a pass through.
- As the non-recognition of such EPMC Gas / Spot gas sourced as per DoF's directives for Urea Operations is not in accordance with the principles of gas pooling mechanism, the Company has continued to recognize such differential i.e. (EPMC / Spot gas price Cheaper market gas price) amounting to ₹ 80.57 crore cumulatively till March 2025 (₹ NIL for the quarter) which has been shown as receivable from DoF.

Further, Company has disputed the demand of ₹ 52.18 crore raised by GAIL towards pool price differential as against receivable of ₹ 71.39 crore for FY 22-23 which has been arrived at on account of non-recognition of EPMC gas/Spot gas in Urea by FICC by substituting EPMC gas/Spot gas with cheaper RLNG gas sourced for non-urea operations. The total disputed amount for the year 2022-23 stands at ₹ 123.57 crore. Based on Company's representation DoF has directed GAIL to keep the demand under abeyance and the said matter is under examination by DoF.

To The Board of Directors Rashtriya Chemicals and Fertilizers Limited Priyadarshini, Eastern Express Highway, Sion, Mumbai - 400022 RE:

Independent Statutory Auditors' Certificate on the statement with respect to maintenance of Security Cover and compliance with all financial covenants in respect of Listed Non-Convertible Debt Securities of Rashtriya Chemicals and Fertilizers Limited as on March 31, 2025.

CERTIFICATE

- 1. The **Rashtriya Chemicals and Fertilizers Limited** ("the Company") has raised money through issue of Non-Convertible Debentures (" Debentures"), which have been listed on the recognized Stock Exchange(s). SBICAP Trustee Company Limited has been appointed as Trustee (the "Debenture Trustees") for the subscribers to the Debentures.
- 2. Pursuant to Regulation 56(1)(d) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended vide circular no. SEBI / HO / MIRSD / MIRSD_CRADT/COR/P/2022/67 dated May 19, 2022, and Regulation 15(1)(t) of the Securities and Exchange Board of India (Debenture Trustees) Regulations, 1993, as amended from time to time, (together referred to as the "Regulations"), the Company is required to submit to Debenture Trustees a certificate regarding maintenance of Security Cover and compliance with all the financial covenants in respect of listed Debentures.
- 3. We have been requested by the Company to examine the accompanying "Statement of Security Cover as on March 31, 2025 from column A to O" (the "Statement") and compliance with all the financial covenants in respect of listed debt securities of the Company as mentioned in the accompanying "Statement of compliance with financial covenants as on March 31, 2025" ("Annexure I"). The accompanying Statement and Annexure I has been prepared by the Management of the Company from the audited financial results, audited books of accounts and other relevant records maintained by the Company.

Management's Responsibility for the Statement

4. The preparation of the Statement and Annexure I is the responsibility of the Management of the Company including the preparation and maintenance of all accounting and other relevant supporting records and documents. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Statement and Annexure I and applying an appropriate basis of preparation; and making estimates that are reasonable in the circumstances.

5. Management of the Company is also responsible for ensuring that the Company complies with all the relevant requirements of the Regulations and for providing all relevant information to the Debenture Trustees and for complying with all the financial covenants as prescribed in the Debenture Trust Deed ("DTD") dated 02nd November, 2020 entered into between the Company and the Debenture Trustees ("together referred as Trust Deeds").

Auditor's Responsibility

- 6. It is our responsibility to provide reasonable assurance that the details as referred to in "Annexure I" have been correctly extracted from the Books of Account and other records which we have verified as produced before us
- 7. We conducted our examination of the Statement and Annexure I, on test basis, in accordance with the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) issued by the Institute of Chartered Accountants of India ("ICAI"). The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
- 8. Our scope of work did not include verification of compliance with any other requirement of other circulars and notifications issued by any regulatory authorities from time to time and any other laws and regulations applicable to the Company. Further, our scope of work did not involve performing audit tests for the purpose of expressing an opinion on the fairness or accuracy of any of the unaudited financial information or the financial statements of the Company, taken as a whole. We have not performed an audit, the objective of which would be the expression of an opinion on the financial statements, of specified elements, accounts or items thereof for the purpose of this report. Accordingly, we do not express such an opinion.
- 9. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements issued by the ICAI.

Opinion

10. Based on the information and explanations provided to us and examination of records of the Company including Books of Account and other relevant documents, we hereby conclude that book value of assets and relevant debts given in Column 'A" to J" of Annexure- I and other details provided are true and correct.

Other Matter

11. As per para 3.1 (a) of the circular no. SEBI / HO / MIRSD / MIRSD_CRADT/COR/P/ 2022/67 dated 19th May, 2022, we are required to certify the book value of the assets, hence, we have not verified market value provided in the Statement of Security Cover (i.e. from Column K to Column O of Annexure I). The market value is based on valuation report provided by M/s. SJACE VALUETECH CONSULTANTS PVT. LTD Accordingly, we do not express any conclusion on the same.

Restriction on Distribution

- 12. Our work was performed solely to assist you in meeting your responsibilities in relation to your compliance with the Regulations. Our obligations in respect of this report are entirely separate from, and our responsibility and liability is in no way changed by, any other role we may have as statutory auditors of the Company or otherwise. Nothing in this report, nor anything said or done in the course of or in connection with the services that are the subject of this report, will extend any duty of care in connection with the statutory audit and other attest function carried out by us in our capacity as statutory auditors of the Company.
- 13. The Report has been issued at the request of the Company, solely in connection with the purpose mentioned in paragraph 2 above and to be submitted with the accompanying Statement and Annexure A to the Debenture Trustees and is not to be used or referred to for any other person. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this report is shown or into whose hands it may come. We have no responsibility to update this report for events and circumstances occurring after the date of this report.
